

Hutker, Architects 2006 Design Scholarships

February 15, 2006

Hutker Architects, Inc., of Vineyard Haven and Falmouth, Massachusetts, will award a scholarship of \$500.00 to a graduating senior from both Martha's Vineyard Regional High School and Falmouth High School who will study Design in college.

Hutker Architects, Inc. seeks to encourage and reward those students who pursue an education and a professional career in one of the design fields. As architects and designers, we recognize our responsibility to protect, preserve, and improve our built environment. In providing financial assistance to local students, we seek to expand our concept of stewardship to include future generations of designers who will help shape the future of our region.

With the granting of the HA Design Scholarships, we hope to continue a lasting and supportive relationship with the Falmouth and Martha's Vineyard High Schools. The guidelines for the 2006 scholarship awards are as follow:
